4. (Unclassified - GLC) Miss Donovan, in the office of Senator George McGovern, called and asked if we could provide information on the number of our Subcommittee briefings since 1949. I advised her that while this information was not considered secret as such, this was an item which should be checked with our Subcommittees on the hill. It developed that Miss Donovan is attempting to obtain this information for her brother, Richard X. Donovan, formerly Chief of AEC's Legislative Liaison Office, now on leave of absence attending the Harvard Graduate School. Miss Donovan said her brother was doing a paper on the CIA.

5. (Unclassified - GLC) Talked with Bill Woodruff, Senate Appropriations Committee staff, regarding Senator Hayden's travel to Mexico City, Hawaii, Panama and Costa Rica and offered to be of any assistance if the Senator wanted anything from the Agency. Woodruff said the details of this travel are being handled by the Senator's personal office. (I later talked with the Senator's office. They will advise Roy Elson, who is presently with the Senator in Arizona, of our offer and will advise us.) Woodruff indicated that he is travelling alone to Europe.

6. (Unclassified - GLC) Talked with Mrs. Amelia Graves, in the office of Senator Stuart Symington, concerning the Senator's trip to the Far East at the end of this week and offered to brief the Senator or give him any information he might desire. Mrs. Graves called back later and said the Senator was interested and would talk with us when he reaches town on Tuesday or Wednesday.
